Explorations: These small group tours give travelers access to the world in a truly authentic way. On these active, immersive journeys, travelers connect with the cultures of the world on a deeper, more meaningful level in ways that are hard to replicate. The group size is kept small, allowing these journeys to be the most active, engaging, and rewarding experience possible.

Day 1: Sunday, March 13, 2022 Fairbanks - Tour Begins

Your journey starts in Fairbanks, in the great state of Alaska. Originally a gold rush boomtown, now known as the “Golden Heart of Alaska”.

Day 2: Monday, March 14, 2022 Fairbanks Feel the brisk air and discover Fairbanks, the perfect juxtaposition of nature and civilization. Look into the past at the Antique Auto Museum, where vintage cars sit between timely artifacts and fashionable designer dresses from times gone by. Hop in a car yourself, throw on some flapper accessories, and pose for a perfect souvenir snapshot. In the afternoon, embrace the Iditarod spirit and try your hand at dog mushing, stepping into a sled with an expert guide and gliding over the snow with your very own pack of sled dogs. Tonight, gather with new friends for a welcome dinner in a local restaurant. Later this evening, chase the legendary northern lights, considered one of the most amazing natural spectacles in the world. Walk out in the snow under an unspoiled bed of stars and search for the shimmering hues of purple and green. (B, D)

Day 3: Tuesday, March 15, 2022 Fairbanks Enjoy a full day at leisure in the city of Fairbanks. Take this opportunity to relax or flex your sense of adventure with optional excursions: consider flightseeing to the Arctic Circle. Later in the evening, enjoy a final chance to spot the northern lights. (B)

Day 4: Wednesday, March 16, 2022 Fairbanks - Alaska Railroad - Talkeetna Begin your day hopping on Alaska Railroad’s Snow Train for a full-day journey to Talkeetna. Sit back and relax as you are whisked away, through snow-covered mountains and striking valleys. Have your cameras ready – the train conductor will point out wildlife as you pass by. Lunch is included in the train’s dining car. Tonight, enjoy dinner and beer at one of Alaska’s most popular micro-brewers – the Denali Brewing Company. (B, L, D)

Day 5: Thursday, March 17, 2022 Talkeetna - Palmer - Anchorage Start your day with a lecture on the down-to-earth Alaskan lifestyle before taking a step into the past when you visit Musk Ox Farm. Learn about the Musk Ox project – a sustainable domestication effort that has worked to preserve, protect, and increase awareness for these woolly creatures since 1954. Your day concludes in Anchorage, an urban enclave surrounded by wilderness. (B)

Day 6: Friday, March 18, 2022 Anchorage - Whittier - Anchorage Head to Whittier and embark on an incomparable glacier cruise of Prince William Sound, narrated by an expert guide. Blue skies collide with stark white glaciers, and playful otters dip in and out of the calm waters. Embrace the sheer magnitude of Alaska’s natural beauty as you venture through a geological wonderland. Toast to your Alaskan adventure at a farewell dinner in a local restaurant. (B, L, D)

Day 7: Saturday, March 19, 2022 Anchorage - Tour Ends Enjoy a relaxing morning before heading to the Anchorage Museum, Alaska’s largest museum, tells the story of Alaska and the North. Explore the full diversity of Alaska Native cultures. The remainder of the day is at leisure. Enjoy some free time before departing for the airport. (B)

IDENTIFICATION

Travel within USA

For travel completed by May 2, 2023, all airlines will ask for identification when you check in. It is recommended that you carry a passport if you have one. A driver's license (with a photo I.D.) is also acceptable for domestic flights.

Effective for travel May 3, 2023 forward, the REAL ID Act standards for identification while travelling will be in effect. This means a standard issued driver's license used as a form of identification will no longer be accepted for domestic air travel within the United States. Instead, a Real ID compliant form of identification must be presented both at the time of booking air travel with Collette and upon checking in at the airport to board any flight. Any fees associated with changing a reservation resulting from a non-compliant identification will be the responsibility of the guest. For more information on Real ID, please visit the Department of Homeland Security website: <https://www.dhs.gov/real-id>

Single accommodations are limited and are available on a first come, first served basis.

Temperatures in February and March can be quite cold. Anchorage averages a high of 20 degrees Fahrenheit (-7 degrees Celsius) / low of 11 degrees Fahrenheit (-12 degrees Celsius.) Talkeetna and Fairbanks average a high of 12 degrees Fahrenheit (-12 degrees Celsius) / low of -13 degrees Fahrenheit (-25 degrees Celsius.) It is strongly recommended that guests dress appropriately for Arctic weather.

The best time to see the northern lights is from late August through April and this itinerary was designed with a multiple-night stay in Fairbanks to enhance this opportunity. However, this is weather dependent, and sightings of the northern lights are not guaranteed.

Travel with just 16-24 guests on this tour where a smaller group setting means a more personal travel experience.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to

provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

The lunch on Day 6 will be a boxed lunch so you can enjoy it on your Glacier Cruise.

Effective immediately and until further notice, all guests will be required to bring one of the following: **proof of vaccination** (official vaccination certificate in paper or electronic form), **proof of recovery from COVID-19** or a **negative test result** (FDA Approved diagnostic) for a test performed 72-hours or less from the start date of the tour with you on tour to verify information you will be providing to Collette when filling out the Wellness Declaration upon arrival.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into various modes of transportation (dog sled, train, boat, etc.), and could possibly anticipate changes in elevation. You can expect some longer days balanced with free-time to recharge or set out on your own adventure.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to tour scheduling, return flights should not be scheduled prior to 3:00 p.m.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

A non-refundable deposit of \$600 per person is due upon reservation. Reservations are made on a first come, first served basis. Final payment due by January 12, 2022.

Experience It! Aurora Borealis - Northern Lights

Due to its close proximity to the Arctic Circle, Alaska is one of the best places to see the Aurora Borealis – better known as the northern lights. This natural phenomenon is the product of collisions between electrically charged particles from the sun that enter the earth's atmosphere, yielding spectacular results. Streaks of colorful light that change from white to pink to purple, and most commonly, to green, dazzle and move through the open sky like nature's own lightshow. The best time to see the northern lights is from late August through April. This is weather dependent, but the nights are the longest during these months which increases your chances of seeing the lights.
